

A Unique Opportunity

The Kroontje Health Care Center at Warm Hearth Village
has immediate openings in:

- ◆ Assisted Living level two (Willows)

The Willows provides more intensive nursing assistance for those with an increased need for services while still providing a comfortable environment in which residents thrive. They may chose to talk with friends in the living room or simply enjoy a beautiful day in the sunroom or on the porch.

If you want to take advantage of this unique opportunity
please call Linda Kirkner at (540) 443-3415 or
