## Important!! WHV Bus Notice...

**Hello, we are asking for your help!!** To all residents who use the Warm Hearth Bus for Doctor's visits we would like for you to consider the following when scheduling your Doctor's appointment. If the Doctor you will be visiting is not in the immediate area (within 5 minutes) from the Warm Hearth campus we would like for you to schedule your appointment no earlier than 10am for the 9AM Bus Pickup and no earlier than 2pm for the 1PM Bus Pickup. We have been experiencing difficulties when we have several residents who need to be in Blacksburg and several residents who need to be in Christiansburg at the same time for appointments. Unfortunately this causes one or more of our residents to be late for their appointment and also added stress for the bus driver trying to be in two places at once. By scheduling your appointment later if the Doctor is outside the immediate area it allows more time for our driver to make necessary route adjustments in turn will make the whole route run smoother and hopefully prevent anyone from being late to their appointment. Please, if it is possible help us to make the WHV bus service more efficient in providing and meeting our resident's needs.

Warm Hearth Transportation services are free to residents.
