We explore tools to help one feel better in their body, build balance and stability, manage their energy levels, and learn how to skillfully support one's brain health and mental well-being as one ages. In this class, movements will be in a chair and standing. Anything done standing will also have a seated option provided. We will **not** be transitioning to the floor.

### Posture, Balance, & Gait (Level 1) ★

WHV Tap Club is for members to reconnect with their community in an environment of encouragement and ageless play. Pre-registration is required. If needed, assessment of this class should be consulted with your doctor if there are questions about mobility issues. ### Mindful Meditation ★

This resident led class will allow you to learn the techniques of meditation and leave class feeling better than you arrived.

### Rejuvenation Qigong ★★

This class will combine movements using the whole body. Movements contain repetitions allowing body memory to comfortably reset into proper alignment. Both Longevity Qigong (*using copper rods*) and Precision Qigong (*standing or sitting*) are offered.

### Line Dancing for Fun & Fitness ★★

Join Mardy for the most fun you'll have all week! Line Dancing for Fitness & Fun is a casual but active class that will get you moving and smiling. Learn beginning line dances like The Cupid Shuffle, Boot Scoot'n Boogie, Macarena and the Electric Slide. These beginning line dances don't need a partner, just the ability to have a blast dancing your afternoon off. Feel free to dress the part with twirly skirts and cowboy hats, or just your regular duds.

### Taiji for Wellness ★★

Each two-part class starts with 45 minutes of qigong exercises and meditation designed to improve balance, coordination and range of motion. With regular practice participants will also experience increased strength. It is suitable for all ability levels. Following a 5-minute break, those wishing to learn taiji form (choreography) and simple partner work will train for an additional 25 minutes. Taiji forms practice will include the Hunyuan Taijiquan 13- and 24-Forms. Former qigong or Taiji experience will be helpful for form and partner training.

### Mat Yoga for Well-Being ★★

This yoga class weaves together movement, breath work, and mindfulness to help support body-heart-mind health. In this class, movements and pose options will include the following positions: standing, hands and knees (a chair option will be offered if being on hands and knees is not an option in your body at this time), and lying down on the floor on your belly, sides, and back. **This class is structured for individuals who can easily get up and down from the floor independently.** Please bring a yoga mat if you have one.
