AQUATIC PROGRAMS

Warm Hearth Fitness Center Always Recommends You Speak With Your Doctor Before Starting Any Exercise Program.

Please see a Fitness Center staff member before participating in this class to complete required paperwork

Arthritis Aquatics

Open to all... consists of lower intensity exercises to promote optimum joint flexibility, muscle strength, endurance, coordination and balance. The soothing warmth and buoyancy of warm water make it a safe, ideal environment for relieving arthritis pain and stiffness. This class is also an option for those looking for a low-impact exercise program.

Aqua Yoga

Experience yoga in the pool through gentle movement, breathwork, and mindfulness. Classes focus primarily on standing postures in chest-height water, with support options available. Together, we'll explore practices that support balance, strength, mobility, relaxation, and community connection in a supportive environment.

Pool Volleyball

Great fun for all! Come join us for a good time playing and laughing all the same. All levels of ability welcome.

Ai Chi

Ai Chi is an aquatic Mind-Body program that is the perfect cross-training activity. It improves core strength, circulation, breathing, balance, flexibility, energy, stamina, relaxation, tranquility, awareness, and focus.

Aqua Fit

Get energized with a great, fun workout! This shallow water workout includes calisthenics style movements with variations of upper and lower body resistive moves. You will march, jog, kick, jack and jump through the water to create resistance to improve cardiovascular fitness, muscular endurance and flexibility.

Family Swim

A time for residents to bring their grandkids or other loved ones to enjoy some quality time in the pool. This is offered the last Saturday of every month. Please inquire with a member of the fitness staff with further questions.

Lap Swim and Open Swim

Open swim time for independent swimmers to come use the pool when classes are not in session.
